I Am Always With You

When I'm gone, release me, let me go. I have so many things to see and do.

You mustn't tie yourself to me with too many tears

but be thankful we had so many good years.

I gave you my love and you can only guess

how much you've given me in happiness.

I thank you for the love that you have always shown,

but now it's time I travelled on alone.

So grieve for me for a while, if grieve you must

then let your grief be comforted by trust that it is

only for a while that we must part.

So treasure the memories within your heart,

I won't be far away for life goes on and if you need me call and I will come.

Though you can't see or touch me I will be near and if you listen with your heart

you'll hear all my love around you soft and clear.

And then when you come this way alone

I'll greet you with a smile and a "Welcome Home"

You'll Never Walk Alone by Gerry and The Pacemakers

When you walk through a storm
Hold your head up high
And don't be afraid of the dark

At the end of a storm
There's a golden sky
And the sweet silver song of a lark

Walk on through the wind
Walk on through the rain
Though your dreams be tossed and blown

Walk on, walk on
With hope in your heart
And you'll never walk alone

You'll never walk alone

Walk on, walk on
With hope in your heart
And you'll never walk alone

You'll never walk alone
